educating for *eternity*

Principal's Piece

It is great to be part of a busy community. In the last 2 weeks we have farewelled our year 12 students, had students on a camp in the high country, had our students compete at local, regional and state level sporting events and great activities and learning in our classrooms.

There's a couple of upcoming events I would like to ask you to take note of. Firstly, we have a parent dinner run by the P & F happening on Tuesday 30th October at Yi chi Chinese Restaurant in Mooroopna. Contact the office for more information. This event is open to all parents and we would love to see you come along to this social time of fellowship.

The other event is the College working bee. This is on Saturday 10th November from 9am-1pm. It is always a great time of fellowship whilst practically helping out around our College. Without the assistance of volunteers on working bees, there are many things that simply would not happen. Thank you in anticipation of your attendance at the working bee.

Our Year 12 students have now completed their formal classes with us. The VCE exams commence on Wednesday 31st of October (English) and run through for around 2 weeks, with our students completing their final exam on Wednesday 14th November. Please keep these students in your prayers, both for their exams, and also for God's leading as they journey into the next phase of their lives.

Following the completion of their exams, we have a formal dinner with the students, their families and close friends. This event is on Thursday 22nd November.

The other event that is important to note is our Celebration Night. This is a whole school event held at Eastbank, where we celebrate the year together as a community. Please note Monday 3rd December in your calendars for this important celebration.

The theme that is on my mind at the moment is around journeys. Our graduating students are journeying to the next stage in their lives, be it working or studying locally, or away from this district. These new journeys will be filled with excitement, opportunities, risks and worries. As we journey, there are two things to always keep in mind that are summed up in the two verses below.

And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God. Micah 6:8 (NIV)

Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:9 (NIV)

Chris Aiton

END OF YEAR CELEBRATIONS AND AWARDS

Celebration Night (Whole School)

Monday 3rd December from 6.30pm at Eastbank

Each year in December, we celebrate the year that has been, and the achievements of our students through an annual celebration night.

In 2018 we implemented a whole school CELEBRATION NIGHT event, at Eastbank. This is an important event as we celebrate the year together. We seek that all families of the College attend this celebration.

Awards Assembly (Whole School)

Friday 7th December at 1.45pm at Encounter Christian Church

Secondary subject and Primary value awards will be presented at a special assembly. This year the assembly will include more presentations and items from students.

Grade 6 Celebration

Monday 10th December (Details TBA)

Our Grade 6 students will celebrate with an afterschool activity followed by a family dinner and presentation evening.

We look forward to seeing you at these special events in the life of our College. Please note these events in your calendar. If you would like further information, please feel free to contact the college office.

LAPTOPS

We have completed the process of reviewing, checking and updating laptops that are available for use within our school. It is important that students in the secondary section have laptops that are able to be managed by the College. All laptops must be ordered and purchased through or College portal <http://scc.orderportal.com.au>. Other laptops are not acceptable in our school environment. Those using computers that are outside the College requirements will not have access to the College network, including printers and the internet. Thank you for your cooperation in this area. You can purchase laptops now for 2019. Laptops previously purchased through this order portal that are now obsolete will continue to be supported by the College.

College Laptop Order Portal:
<http://scc.orderportal.com.au>

PARENTS DINNER

PRIMARY CRICKET CLINIC

On the 18th of October my class did a cricket clinic. We learnt all kinds of things. I have never really been good at bowling, but the clinic helped it! I was "ok" at batting, but now I am even better! I really enjoyed Rapid fire! Rapid fire is like Kick Ball, except it is cricket. The cricket clinic really helped me with my cricket skills!

By Katelyn McGowan

In Cricket we did a fun warm up then we practiced catching. We played Rapid Fire where you hit three cricket balls and you then run around the wickets as many times as possible until the other team would get the balls. My favourite part was Rapid Fire.

SCHOOL NEWS

YEAR 12 FINAL DAY CELEBRATION 2018

On 24 Oct 2018, our Year 12 students celebrated their final day at school in various meaningful ways. The day started out with a mouth-watering BBQ breakfast which is prepared by the school staff. As the morning went by, teachers were given a surprise by the colourful decorations in their offices.

After breakfast, our senior students went to town to complete a scavenger hunt and then returned to school to celebrate their farewell in their final assembly. Their assembly presentation items consisted of a message shared by Cameron King, a photo collage video and a custom-made 'Expectation VS. Reality' video. The assembly concluded with the main highlight of the teachers & students awards presentation.

All glory to our Father in heaven for His grace upon our Year 12 students! We thank God for His faithfulness and pray that the Lord will continue to make their paths straight, as they keep acknowledging God and trusting in His guidance with all their hearts.

Yr 12 Class of 2018

SCHOOL NEWS

Hume Region Athletics (Secondary)

Thursday 11th October saw a group of talented athletes represent the college at the Hume Region Athletics in Albury. All students are to be commended on their excellent sportsmanship and support for one another. It was terrific to see such talent across all events. The results were impressive, especially from a small cohort. Massive congratulations to all students and thank you for making it such a great day. Placings were as follows:

1st Boys relay 18-20 Yrs: Marcus Theart, Brayden Johnson, Juancho Mackenzie and Daniel Hall

1st Girls Discus and Shot Put 18-20 Yrs: Marion Scanlan

2nd Boys 18-10 Yrs 100m and High Jump: Brayden Johnson

3rd Boys 18-20 Javelin: Marcus Theart

3rd Boys Javelin 16 Yrs: Alex Dann

3rd Girls Javelin 15 Yrs: Shekinah Scanlan

1st place winners represented the region and College at the State Championships in Melbourne Monday 22nd October. Results of the State Athletics are below.

Primary Athletics

Week One started with some enthusiastic Primary athletes competing against other schools at the athletics track. All students in attendance had fun and we as a school enjoyed some success. Congratulations to Ben McGowan and Qadosh Scanlan for making not just the Division level, but also the Regionals in Shot Put and 100m respectively.

State Athletics

We had an amazing day at the State Athletics. Congratulations to all our students. A special congratulations to Marion Scanlan who came 3rd in Shot Put and came extremely close to getting a second medal with a 4th in discus. We are very proud of you all!!

Junior Summer Sports—Volleyball & Clay Target

On the 17/10/18 the Year 7 and the Year 8 girls went to Rushworth to play volleyball. Both the years won 2 games each and we had a very competitive day against all the teams. We played extremely well.

We also had outstanding sportsmanship. Everyone put 100% into every game and the outcome was always very close.

Shellby and Sandra

Last week a group of year 7 and 8 students travelled out to a clay target event at Shepparton Field and Game. This was a fantastic day that saw several schools from the district send students to compete in downing a course of twelve clay targets from different stations. Our students performed very well, with Tom Honey and Alwin Isaac scoring 8/12 each. A big thankyou to the volunteers and members of Shepparton Field and Game who put on this event each year. It was a great day for all involved.

Mr Milburn

Year 9/10 Outdoor Ed and Year 11 Outdoor and Environmental Studies combined camp.

From the 16th to the 19th of October, the Year 9/10 Outdoor Ed and Year 11 Outdoor and Environmental Studies classes went on a camp up to the Alpine National Park, where we hiked and camped on the high plains. We camped at two different huts on the first two nights; Edmonson's Hut and Cope Hut. For the final night we stayed at the Howmans Gap YMCA Accomodation just out of Falls Creek.

Some of the challenges we overcame throughout the camp included; the long hikes while we had our heavy packs on, hiking in the rainy conditions, hiking through snow patches, and packing the right amount of food and other equipment. Some of the educational outcomes the Year 11 class specifically studied included understanding the commercial, recreational and conservational uses of the environment, and the impacts that these activities have on the health of the area.

Overall, we had an excellent time away. Special thanks to Mrs Kirk, Chris 'Toph' Naunton and Jemimah Lloyd for accompanying us and imparting their expertise throughout the journey.

Written by Riley Larcombe, Elzaan Etsebeth, Isaac Hudson and Mr Arnold

INTERESTED IN ARCHITECTURE?

Where can I study architecture? To become a qualified architect, you will need to complete a three-year accredited undergraduate degree in architecture followed by a two-year Master of Architecture. The following are undergraduate courses you can study in Victoria:

Deakin University: Bachelor of Design (Architecture)/Master of Architecture, Geelong Waterfront. You can also combine the Bachelor of Design (Architecture) with the Bachelor of Construction Management (Honours), <http://bit.ly/2xZm6HL>

Monash University: Bachelor of Architectural Design/Master of Architecture, Caulfield. You can also combine the Bachelor of Architectural Design with the Bachelor of Civil Engineering (Honours), <https://bit.ly/2yt4gQz>

RMIT: Bachelor of Architectural Design/Master of Architecture, Melbourne, <http://bit.ly/2vPaAzc>

Swinburne University: Bachelor of Design (Architecture)/Master of Architecture, Hawthorn, <https://bit.ly/2vmG2Fw>

The University of Melbourne: Bachelor of Design (majoring in Architecture)/Master of Architecture, Parkville, <http://bit.ly/2yCJgIG>

Further information – Australian Institute of Architects, <http://bit.ly/2yKdw3T>

Where can I study landscape architecture? To become a qualified landscape architect, you will need to complete a three-year accredited undergraduate degree in landscape architecture followed by a two-year Master of Architecture. You can study undergraduate landscape architecture at the following Victorian universities:

RMIT: Bachelor of Landscape Architectural Design/Master of Architecture, Melbourne, <http://bit.ly/2h0i9ND>

The University of Melbourne: Bachelor of Design (majoring in Landscape Architecture)/ Master of Landscape Architecture, Parkville, <http://bit.ly/2yCJgIG>

Further information – Australian Institute of Landscape Architects, <http://bit.ly/2yIkNkt>

HAVE YOU CONSIDERED STUDYING ECONOMICS IN THE FUTURE?

The Reserve Bank of Australia has developed career resources for prospective students interested in pursuing a career in economics. You can access the resources at this link, <http://bit.ly/2it8bYI>

INTERESTED IN STUDYING LAW IN THE FUTURE?

Secondary school students interested in studying the Juris Doctor at The University of Melbourne in the future can subscribe to the “Future Law” newsletter. This will allow prospective students to be kept up to date about special events, key application dates, news and more within the Melbourne Law School. To subscribe, go to <http://bit.ly/2eXFxg8>

HAVE YOU CONSIDERED STUDYING NANOTECHNOLOGY?

Nanotechnology is the engineering and manipulation of extremely small matter and is one of the fastest growing areas of technology and scientific research. The degree suits students who love Maths, Physics, Biology and Chemistry and would like to work in the field of material and physical sciences. The following are examples of three courses you can study in Victoria:

La Trobe University: Bachelor of Science (Honours)/Master of Nanotechnology, <http://bit.ly/2y2owKC> Watch the video – Decoding Nano here - <http://bit.ly/2gykJtn>

RMIT: Bachelor of Science (Nanotechnology)/ Bachelor of Science (Applied Sciences), <http://bit.ly/2gCs3YK> Read Karen’s story here - <http://bit.ly/2zKFjPR>

RMIT: Approved Bachelor degree in an area such as science or engineering/Master of Nanotechnology and Smart Materials, <http://bit.ly/2n7O1TW>

GRADE 4/5 FOOD DRIVE

In 2016, a then Grade 2 student, Noah Moore saw a homeless man in the newspaper and sparked a passion to want to help the less fortunate. It has become a yearly dedication that the students in Noah's class run a Food Drive to gift non-perishable food to the Salvation Army to distribute to the less fortunate members of our community.

This year, the Grade 4/5 class are committing to collect 550 non-perishable food items, special Christmas treats and baby care products to donate to the Salvation Army. But we need your help!

The Grade 4/5 students came to their goal of 550 items by working out how many people in the school and multiplying this by two, thinking that it would be quite easy for each person to throw in two extra items (or more!) into their weekly shopping for less than \$5 for two things.

We will be collecting these items from Monday the 29th of October 2018 until the 30th of November 2018.

A big, GIANT thank you from the students of Grade 4/5. You are blessing people in need more than you will ever know!

GROCERY SUGGESTIONS

Here are some items you might like to donate this Christmas.

<p>Christmas items</p> <ul style="list-style-type: none"> • Puddings, cakes, mince pies, shortbread • Long-life cream, custard • Snacks (biscuits, chips, chocolates, lollies) • Table décor (bambinos, decorations, tablecloths, napkins) <p>Tinned foods (Ring-pull tins only, please)</p> <ul style="list-style-type: none"> • Fruits in juice • Vegetables • Soups • Meats or fish • Meals (baked beans, spaghetti) <p>Meal bases</p> <ul style="list-style-type: none"> • Pasta and pasta sauces • Rice • Curry and stir-fry sauces • Meal kits (Mexican, Asian) 	<p>Other</p> <ul style="list-style-type: none"> • Cereal • Spreads • Savoury biscuits • Packet of jelly • Liquid gravy • Sugar • Tea, coffee, hot chocolate • Long-life milk or juices • Iced tea • Baby food <p>Additional grocery items</p> <ul style="list-style-type: none"> • Personal toiletries (soap, shampoo, toothpaste, hairbrush, toilet paper) • Cleaning products (multipurpose cleaner, dish detergent, washing powder) • Baby care (nappies, baby wipes) <p>For further information please get in touch with your regional Salvos representative.</p>
---	--

GUIDELINES

- Where appropriate please ensure items have long expiry dates and are non-perishable.
- Supermarket gift vouchers make a great addition to food hampers, allowing the recipient to purchase fresh fruit, vegetables and meat at Christmas.
- Think Christmas: people will be receiving these packages as gifts. Buy brand-name products where possible, and include some special items to help people celebrate on Christmas Day.
- Pack your groceries into a washing basket, reusable shopping bag or laundry bucket that can be reused by the recipient.
- Consider providing choices that suit families with young children, people with allergies, the elderly or newcomers to Australia.
- Please donate all items as early as possible in December, or even in November to ensure that all food hampers and gifts are delivered to families by Christmas.

Thank you for making Christmas brighter for families in need.
