

17th May, 2018

Principal's Piece

It is a real honour and privilege to be part of Shepparton Christian College. Working with young people and our community is a passion that is shared amongst the entire staff of our College.

At this time of year, we are commencing our planning for 2019. Our year 7 class is now full for next year, however, I would encourage anyone considering our College for year 7 for 2019 to come and have a chat, and be part of a waiting list. If there is enough interest, we will consider opening a second year 7 class in 2019. Our prep class and other year levels have openings. Please encourage your family and friends who might be considering enrolling to contact the office as soon as practical.

This week was NAPLAN week. This assessment program is now complete. NAPLAN is about obtaining standardised information on student achievement. We also look at students' academic growth over the years as a way of feedback for students, parents and teachers. We do not receive NAPLAN results for several months and will be distributing results to the families involved as soon as they are available.

Our next working bee is this week, on Saturday 19th May. We run this from 9am until 1pm. If you have time, please come and help out. It is a great opportunity to assist us to maintain/improve our College, meet new people and enjoy the great morning tea that is always a highlight.

Our Under 10 Soccer team are doing well. To date they have played 3 games, and won 3 games. Please encourage these young people if you get a chance to talk to any of the team members, or maybe even come and support on a Saturday.

I would like to thank our Parents and Friends group for their continual efforts. They put on the Mother's day stall last week, which is a great service to our students. The next P&F meeting is on Tuesday 22nd May at 7pm at McDonalds (North end). All parents and friends of the College are welcome to be part of this group.

Those in our primary section will have received notification about a new event in our College. We are running a Grandparents Day on Tuesday 29th May. This will be a great time for children to bring along grandparents or other special elderly people in their life. The program will involve these grandparents participating in a Show and Tell session about something from their past, and then enjoying a picnic lunch with their grandchild.

Upcoming Events

May

Fri 18	Yr 10 Road Smart
	Oral Health Education Prog Grd P-3
Tue 22	Responsible Pet Program P - 3
Thur 24	Snr Winter Sports Yr 9-12

Wed 20	Primary & Sec Hume Reg Cross Country
	Tuition Soiree
Fri 29	Term 2 - End (2:15pm Dismissal)
	Reports emailed out

As a final thought, I have been challenged recently in the area of what we are teaching and imparting to our young people about attitude. As a College, we have a strong set of College values, being Compassion, Humility, Respect, Integrity, Service and Truth. On top of that, if our students come out with nothing more, this is my prayer for the attitude we impart to our young people:

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Philippians 2:3-4 (ESV)

SCHOOL NEWS

Shepparton Christian College is fundraising for The Biggest Morning Tea to support Cancer Council. Our college will be conducting a 'Biggest Lunch' held on Thursday 31st May from 12:45pm to 1:35pm in the college stadium. Earlier this week a letter and return form was sent out to all families for soup orders and requesting volunteers and donations. We would greatly appreciate any support you are able to give.

Working Bee Saturday 19th

We encourage you to come along to this Saturday's working bee from 9am to 1pm at the school. We will be focussing on gardening and general tidying. A delicious morning tea will be provided. We would love to see you for whatever time you have to spare.

School uniforms for sale:

- 1 Boys Secondary Summer white cotton shirt with logo: size 14, \$10

Please contact Ruth on 0448 902 432.

Mothers Day Stall

Our Mothers Day Stall was held on Friday 11th May. We received some lovely feedback from one of our mums. Eva Finster shared how special it was to see the younger students come in and show so much excitement choosing a gift for their mum. Eva said she was looking forward to Mothers Day and the thoughtful gifts her kids would be giving her, especially the homemade ones. Eva felt it was important to teach our kids to value the role of mums and show appreciation for all they do, a role that Eva is very grateful to have. We would also like to thank those who donated gifts for the mothers day stall.

Responsible Pet Education Program

On Tuesday 22nd May the Responsible Pet Education Program will be conducting an education session with the Prep to Grade 3 students. We are expecting a visit from a special pet called Max and the educator will be teaching us about how to approach animals in our everyday lives. Be sure to ask your child some key things that they learnt in the session.

Lynda Harland

Yr 11 Outdoor Ed Wetlands Trip

The Year 11 Outdoor and Environmental Studies class recently visited the Barmah National Park. Barmah NP is the largest River Redgum forest in the world, and is home to hundreds of species of native birds, water creatures, mammals and insects (a few too many of those)! During our time in Barmah, we investigated the history of the area, the environmental impacts humans have had on the land, the range of uses for the forest (both past and present) and the role the Murray River has in supplying vital water to the areas around it. We participated in an educational tour on the Murray with Kingfisher Cruises, practiced our navigation skills through the glorious woodlands, and spent the night camped near Barmah Lake.

On our return journey to the College, we stopped at the Barmah Forest Heritage and Education Centre in Nathalia to learn more about the significance of the Barmah National Park. It is truly a stunning part of Victoria, and is right on our doorstep; just a quick trip up the road. A wonderful time was had by all!

John Arnold, Outdoor Ed Teacher

2018 Mission Trip

This year, Shepparton Christian College will again be sending a small team of Year 9 – 11 students plus two staff to Northern Thailand, to work with the Christian Community Development and Relief organisation, *The River*. Students will be involved in a range of activities including; teaching English in local schools, running sports and activity sessions with local children, assisting in Church and Youth Group events, running a Kid's Club, visiting remote communities and offering practical support as needed, and visiting some cultural sights including markets and Indigenous villages.

Students have had to fundraise and work with their parents to pay for the trip, however, there are some team costs we are still needing to cover. If you would like to donate towards sending our team, or have ideas for fundraising, please contact Berny in the office.

If you would like to contribute small children's clothing, school supplies (e.g. pens, pencils, note-pads) or sports equipment (e.g. soccer balls, down balls), please contact John Arnold via the College office.

We are excited to represent the College in this venture where we know we will see the Gospel spread and the love of God demonstrated tangibly in the Northern Thai communities. The profits raised from the School Fete/Mission Matters will be donated directly to the needs we see as we travel, and the organisations we have worked with in the past greatly appreciate the generosity of our school community.

Thank You for your support of this vital component of our College life.

John Arnold

Mission Coordinator.

Under 10 Team

Shepparton Christian College

Date: 28th April
 Game: Shepp Christian v St.Lukes
 Result: 7 - 2 win
 Captain: Isaac Aiton
 Encouragement: Emme Cole
 Player of Game: Qadosh Scanlan

Date: 5th May
 Game: Shepp Christian v Num Knights
 Result: 11 - 0 win
 Captain: Oran Caiafa
 Encouragement: Clyde Masilang
 Player of Game: Isaac Aiton

Date: 12th May
 Game: Shepp Christian v Grahamvale
 Result: 2—1 win
 Captain: Emme Cole
 Encouragement: Jackson Evans
 Player of Game: Aidan Ross

Under 12 Team

Orrvale /Shepparton Christian College

Date: 5th May
 Game: Orrvale/Shepp Christian v Kyabram
 Result: 11 - 1 win
 Dunamis Scanlan scored 1 goal

Date: 12th May
 Game: Orrvale/Shepp Christian v Guthrie Cobras
 Result: 1 all draw
 Great effort by all

The Under 10 team was excited this week as their jersey's arrived and are looking great. Thanks again to Adornato's for their support in the purchase of our jerseys.

What's happening in the Italian classroom

The 2/3 class have been learning about maps and people from different countries in their Italian classes. One of their tasks involved working collaboratively to complete a map of Italy. Students worked well together and were pleased with their efforts in completing the puzzle. Students have also been working on recognising flags from different countries and using the knowledge of Italian colours to label and colour flags from different countries and caricature representations of children from these countries. Continuing with the overlapping learning areas of Italian and Humanities students labelled a whole class map using the Italian names for several countries. Students then transferred this knowledge to smaller world maps created in pairs.

Word Bank

L'Italia = Italy

L'Australia = Australia

La Cina = China

La Francia = France

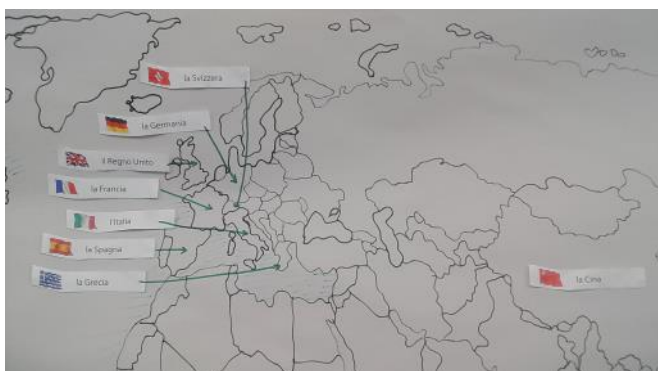

La Germania = Germany

La Grecia = Greece

Il Regno Unito = United Kingdom

La Spagna = Spain

La Svizzera = Switzerland

Combined Learning—Italian / PE

On 10th May the Grade 4/5 class participated in a wholistic curriculum lesson showing we don't just teach subjects in isolation. They combined Italian and PE by playing a modified game of Twister using Italian Instructions for colour and body parts which they have been learning in LOTE class.

L.O.T.E. -Italian Co-ordinator

Primary Interschool Cross Country – Wednesday 2nd May

All our Grade 5 and 6 students attended the interschool cross country at Princess Park, to compete against students from other schools. All students ran well and supported each other with loud cheering and pats on the back. The top 25 runners in the fastest colour group (blue) were invited through to the Division cross country event on May 11th.

The Christian College had several successes: namely Xavier Wheaton, who won the red category in his age group (11 year olds), and the following 5 student who qualified for the next level:

Aidan Ross
Qadosh Scanlan
Berenisa Gjukola
Liam Caiafa
Benjamin McGowan

Primary Division Cross Country – Friday 11th May

Aidan Ross, Berenisa Gjukola, Liam Caiafa and Benjamin McGowan braved the cold and wet weather at Princess park on Friday to compete against the top runners in our division. Congratulations to these students for qualifying for this level and special congratulations to Berenisa Gjukola for finishing 14th and hence qualifying for the Regional Championships in Albury on June 20th.

FOCUS ON SPORT CAREERS

Sports Physiotherapists: are qualified physiotherapists who have undertaken further specialised training and education. They assess and diagnose sports related injuries and develop a treatment plan, which may include hands-on therapies and exercise plans.

There are two ways to become a fully qualified sports physiotherapist- via an academic pathway or an experiential pathway. For information, go to www.physiotherapy.asn.au/

Clinical Exercise Physiologists: develop exercise plans and services for people living with or being at risk of illnesses such as cancer, mental illness, cardiovascular disease, neuromuscular/ neurological disease, respiratory disease, chronic pain and musculoskeletal pain.

Sport Management: is for students who have an interest in both sport and business (including management, marketing, elite athlete management, events, facilities management, tourism, accounting etc.). Different institutions offer different majors or specialisations, so make sure you do your research.

Sports Engineers: design and develop sports equipment and apparel; design products and develop solutions to enhance the performance of athletes; and are at the forefront of designing new sports technologies for elite athletes. Students typically study human movement sciences, and electronic, mechanical and software engineering.

Sport and Recreation Management: students can typically specialise in areas such as outdoor recreation, recreation management, tourism, facilities management, policy development and events management.

Sports Development: students learn how to promote sport in the community and increase the level of participation in sports for different cohorts such as young people and people with disabilities. Sports development officers create new and innovative sports programs or work for existing organisations to run their programs in the community (i.e., AusKick)

Sports Journalists: undertake research on sporting events and issues and report on them via various media mediums (e.g., print, broadcast, radio). Students generally have to complete a journalism degree with a sports specialisation within the degree or as a graduate program.

Other sports careers include Sports Psychology, Exercise Rehabilitation, Sports Coaching, Physical Education Teaching, Fitness and Personal Training, Sports Science etc.

To search for sports related courses and university prerequisites, search the Good Universities Guide course finder at- <http://bit.ly/1N6a3Pk> or the Victorian Tertiary Admission Centre (VTAC) archived search at www.vtac.edu.au/

UPCOMING CAREER EVENTS

Global Career Hotel Experience: The Hotel School Melbourne is hosting a one-day Global Career Hotel Experience on the 1st of July. The day is a cutting-edge event that allows students to experience the behind-the-scenes of a luxurious 5 star hotel. Applicants who register before the 31st of May will be eligible for the early bird rate of \$15 per student. For information and to register your place, go to <https://bit.ly/2KgD4bp>

Passionate about design? Billy Blue College of Design offers courses in Branded Fashion, Communication Design, Graphic Design, 3D Design and Animation, Interaction Design, Film & Video Design, Digital Media, Interior Design, and Photo Imaging. The College is hosting an information evening on Tuesday 22 May between 6pm – 8pm at the Flinders Street campus. For information and to register your place, go to <https://bit.ly/2IGz5YE>

DeakInspire Day: Deakin University is running experience days at the Melbourne and Geelong campuses in July. The events are designed for Year 10 – 12 students to learn more about Deakin courses and programs. Participants will:

Hear innovative, entrepreneurial and creative stories from Deakin students, alumni and teachers.

Choose to attend two workshops from a multitude of energising workshops.

Learn how to stand out from the crowd and get ready for the jobs of tomorrow.

Dates are as follows:

Melbourne Burwood campus, Tuesday 3 July

Geelong Waurin Ponds, Thursday 5 July

For information on venues, speakers, and workshops, and to register your place, go to <http://bit.ly/2r0rbh5>

MAY

PERFORMING ARTS CAMP

JULY SCHOOL HOLIDAYS 2018

sevictoria
COME TO LIFE

DO YOU LOVE ACTING? DO YOU LOVE MUSIC?

Take your imagination to amazing places with friends who love these things too! We'll laugh, we'll create and we'll explore how God gives life to all creativity!

This is a great way for Grade 4-6 students to spend their July School holidays!

1 - 4 JULY 2018

COST: \$260

FOR MORE INFO AND TO REGISTER:

web: www.suvic.org.au/performing-arts-camp

email: camps@suvic.org.au

ph: (03) 9482 5700

SCIENCE CAMP

On Science camp, Yr. 11s and 12s will delve into science and investigate God's creation. Guest speakers who are scientists and Christians will explain their journey with science and faith.

The camp provides a great community to explore the relationship between science and faith as you study VCE.
