

**STUDENTS ARE NOW REQUIRED TO BE IN
FULL WINTER SCHOOL UNIFORM**

Principal's Piece

Welcome to Term 2. I hope you had a fantastic Easter break as we remembered Christ's death on the Cross, and celebrated the victory we have through His resurrection.

I would like to thank those parents who came in for Parent/Teacher Interviews on the last days of Term 1. It is good to be able to get parents and teachers together. When we work together we have the best outcomes for our young people.

There are some great events happening this term. Our whole school athletics day is planned for June. We have a variety of sports days across the term planned for different year levels. We also have a growing group of primary students involved in the Shepparton Junior Soccer Association with our own Under 12 team as well as students from other age groups joining with other teams in the competition. The soccer seasons starts this Saturday (27/4) at McEwan Reserve.

There are many other events and activities happening across what promises to be a great term. Our God continues to do great things at Shepparton Christian College and I look forward to everything that will happen in term 2.

It would be remiss not to mention ANZAC day. ANZAC day is an important commemoration day on the Australian calendar. We had students representing our College at the Shepparton Commemorations, with Erin McKenzie, Lucas Fenby and Jonah Green laying a wreath on our behalf as part of this. It is important that we remember those who fought for the freedom we enjoy.

As a school, we continue to develop the DUO program. DUO is our anti-bullying and positive student behaviour program (see Luke 6:31). One of our focus areas in Term 2 is the notion that words matter. If you have ever been teased or called names you will understand that

the old adage that "sticks and stone will break my bones but names will never hurt me" is not true. Being teased or called names, or put down with words hurts. It really hurts. At the same time, it is so uplifting, so enjoyable and so life giving when we receive positive words, words of encouragement, compliments and words that make us feel good.

*Gracious words are like a honeycomb,
sweetness to the soul and health to the body.*

Proverbs 16:24 (ESV)

During this term there will be some posters appearing around our school that are focused on ensuring students know what words are hurtful, and which words are "like a honeycomb". Our students are fantastic at encouraging one another. We need to continually be proactive in promoting the positive behaviours we cherish for our young people.

God Bless

Chris Aiton

College Fete

On Thursday 28th March, Shepparton Christian College held its annual fete raising money for the missions programs the College supports. Prior to the big event, students' families and friends attended a chapel service to learn and hear from the students and staff who attended the 2017 mission trip in Thailand. Students spoke of their journey and presented a Power-Point highlighting the people and places they visited and served.

After chapel, students industriously set up their stalls in readiness for the many visitors attending the fete. The whole college was abuzz, with families enjoying the many activities and food stalls presented to them on their arrival. Excited people roamed the grounds and enjoying the vocals and music played throughout the night by students and staff.

Not only did the night raise much needed funds for the Missions program, it allowed the students to "let their hair down" and thoroughly enjoy themselves after the hours of preparation for the big day!

A massive thankyou to all those who organised and helped out on the stalls and activities. A special mention to Wal who tirelessly helped set up the grounds in preparation for a fabulous night of entertainment, the Parents and Friends who organised and ran the BBQ and Donna Bognar & Mable Aiton our fete organising committee. This event could not take place without "everyone" lending a hand and coming along to help support our next mission trip.

2019 Prison Fellowship Biscuit Drive

The Year 9 & 10 home economic class baked some biscuits for the Prison Fellowship. Students learnt how to share their love and care to different people and places. Well done students.

Child safety

We are pleased to be a College where all students are safe, happy and empowered. As part of keeping our community informed, it is important to restate some of the important aspects of Child Safety that we value within our College. We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. Shepparton Christian College is committed to preventing child abuse and identifying risks early, and removing and reducing these risks.

It is important for all members of our community to be vigilant in the area of child safety.

Children are encouraged to be open about sharing about their safety, and any allegation of abuse will be taken seriously and dealt with through our rigorous policies of child safety and obligations for reporting, including mandatory reporting.

If a parent or student wishes to raise concerns about child safety or possible child abuse, these may be raised with Principal, Assistant Principal, Chaplain or Counsellor. If you prefer, concerns may also be raised with other staff members. Parents and students should report instances of abuse directly to police (000) if the immediate safety of a child is at risk.

If you are interested in reviewing our College policies in the area of child safety, they are available from our website at <https://scc.vic.edu.au/policies-and-publications/>

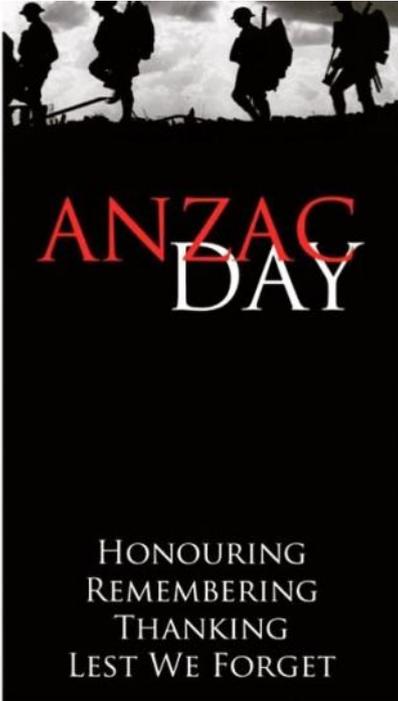

Parents & Friends

The next meeting for 2019 will be held next **Tuesday in the College Board Room at 9:30am**. We encourage you all to attend or be involved when ever you may be available.

It marks the anniversary of the first major military action fought by Australian and New Zealand forces during the First World War. Commemorative services are held across the nation at dawn – the time of the original landing. Our College was represented and a wreath was laid by 3 of our students, Jonah Green, Lucas Fenby and Erin Mckenzie at the 11am service held at the Shepparton Memorial Park.
