

Principal's Piece

As we work with young people each and every day at Shepparton Christian College, I am reminded we have such a great school, with fantastic students, very capable teachers and a wonderful community of parents.

At this time of year, we are commencing our planning for 2020. For 2020 enrolments, we have implemented a couple of rounds of enrolment, with the first round closing on Friday 17th May. Any applications received beyond this date will be considered as part of the next round of enrolments for any remaining spaces. This is particularly important for year 7 and Prep enrolments for 2020. If you know of any families interested in enrolling, please ask them to contact the school for a personalised tour and chat.

Next week is NAPLAN week. NAPLAN is about obtaining standardised information on student achievement. We also look at student growth over the years as a way of feedback for students, parents and teachers. NAPLAN is an important assessment. We ask that each of our students do their best on NAPLAN tests so that we can get good information from these assessments.

Our next working bee is next Saturday 18th May. We run this from 9am until 1pm. If you have time, please come and help out. It is a great opportunity to assist us to maintain/improve our College, meet new people and enjoy the great morning tea that is always a highlight.

Our Parents and Friends group are also running a fundraising BBQ at Bunnings on Saturday 25th May. If you feel you can volunteer to help out at this community and fundraising event, please contact the office.

Our Under 12 Soccer team are doing well. To date they have played 2 games, and won 2 games. Please encourage these young people if you get a chance to talk to any of the team members, or maybe even come and support on a Saturday.

In education there are many priorities. We seek to ensure that our young people get an excellent academic education, with each given the opportunity to achieve at their very best. We seek that our young people will have great access to co-curricular programs like music, sport and leadership. We have strong pastoral care for our students, and this is very important. In our school, we are focused on ensuring

that we have strong Christian and Biblical worldview focus. Across all of this, what we seek for our children is that they grow up to be people with the strength of character to be able to thrive in all their endeavours.

God Bless

Chris Aiton

On Saturday 27th May our students from the under 12 soccer team played their first game against the Kyabram Knights. We are excited to share our team won 4 to 2 which included an amazing headbutting of the ball into the goal by Shaun Machingarafu. Round 2 last weekend had our team play the Numurkah Knights and with a great 9-0 win. The Award recipients were Jackson Evans & Isaac Aiton who were the team captains, while Shaun Machingarafu & Aiden Ross won the Encouragement awards.

Meanwhile, we have many other students across the College who played great games with their mixed teams from other local schools. Fabulous to hear you are all showing great character and sportsmanship. Well done to everyone!
